PHILADELPHIA TROLLEY CO. GIVEN ULTIMATUM BY UNION

Philadelphia, Aug. 5.—Officials of the Philadelphia Rapid Transit company were today given 30 hours in which to grant higher pay and recognition of the union, or assume responsibility for a strike on all lines. Should Thomas E. Mitten, president of the company, to whom the message was delivered, grant the union officials an interview, they will extend the time of decision. Mitten has persistently refused to even talk to union men.

NEW TURK ATTACK DIRECTED AT SUEZ

London, Aug. 5.—A Turkish force estimated at 14,000 launched an attack against British positions near Romani, about 23 miles east of the Suez canal, on Thursday night, the war office announced today. The battle is continuing with great vigor, but the Turks thus far have been unable to make any impressions on the British positions.

Romani is a small station 31 miles southeast of Port Said and about three miles from the shore of the Mediterranean. It lies just north of the caravan trail leading from Egypt to Syria. The battle is going on along a front of eight miles, extending to both sides of the Syrian caravan route. The latest dispatches to the war office, filed at dusk Friday, said that the Turks had made no gains against the strongly fortified British line. The combat was being waged over the sands in a temperature of 100 degrees.

RAILWAY OFFICERS PREPARE FOR STRIKE

San Francisco, Aug. 5.—Preparations to meet the threatened strike of trainmen, if it comes, are being made by all western railroads, it was learned today. Officials of the Southern Pacific, Western Pacific and other lines operating on the Pacific coast have been conferring for a week regarding the situation. It is understood that the Southern Pacific has been quietly arranging for crews to take the places of those who threaten to go out.

Arrangements have not been definitely made by the Western Pacific, it is said, and the plans of officials of that road have not advanced beyond the tentative stage.

The California state railroad commission has telegraphed President Wilson, urgently requesting him to use his utmost efforts to avert such a national calamity as a railroad tie-up at this time.

HUGHES STARTS ON FIRST LONG SWING

Bridgehampton, L. I., Aug. 5.—Candidate Charles E. Hughes and his adviser, Mrs. Charles E. Hughes, left here today on a ten-thousand-mile stumping tour which will carry them from coast to coast.

The nominee expects to make nearly two score speeches in such cities as Detroit, Chicago, St. Paul, Minneapolis, Fargo, Grand Forks, Helena, Butte, Missoula, Spokane, Seattle, Coeur d'Alene, Portland, San Francisco, Los Angeles, Reno, Ogden, Salt Lake, Cheyenne, Denver, Topeka, Kansas City, St. Louis, Lexington, Ky., and several points in Maine. He will not be back in New York until about September 10.

Never before in the history of politics has a candidate been accompanied on a speaking tour by his wife. But Mrs. Hughes is almost an oracle in the family of the former justice. Her husband consults frequently with her, values her opinion of people and things, and on this occasion, when he is seeking the presidency, he is more than ever anxious to draw upon her advice. Friends of the nominee suggest Hughes' championship of woman suffrage came about through his appreciation of the feminine mind, as exemplified by Mrs. Hughes.

Hughes expected to confer with Chairman Wilcox during the day and will leave with his private secretary, Laurence H. Green, and half a dozen other attaches at 9 o'clock tonight.

The party will spend Sunday at Niagara Falls. On Monday Hughes is due in Detroit for possibly two speeches.

TEN THOUSAND SEAMEN ON LAKES READY TO STRIKE

Cleveland, Aug. 5.—Officials representing unions of 10,000 lake seamen and firemen in every port on the great lakes met here to decide how to carry out demands made on employers. Methods were discussed to force lake carriers to grant better working conditions and obey the new federal seamen's act, which, the unions say, is disregarded. A referendum vote of the seamen and firemen has authorized the officials to act and, in the event of a strike, all lake traffic will be paralyzed.

While lake employers granted a \$10 a month increase in wages this week, union officials declare their main issue now is better working conditions and the abolition of the blacklist.

AUSTRIAN OFFENSIVE MEETS SLAV DRIVE

Berlin, via Wireless to Sayville, Aug. 5.—Excepting on the Stochod river and Brody fronts, the Russians have abandoned their continued attacks, probably because of heavy losses, said an official statement from the Austrian war office under date of August 3, received here today.

"In the Russian war theater a hostile detachment entered a small section of our trenches, but was completely ejected," it was stated. "Southwest of Brody Russian attacks were repulsed. Russian advances on the Sarny-Kovel railway failed. Otherwise the enemy has been considerably more quiet, ascribable to his heavy losses."

Berlin, Aug. 5.—Repulse of Russian attempts to cross the Dvina river near Dweten was announced by the war office this afternoon. Northwest of Zalozse repeated Russian attacks were repulsed.

Another official statement issued at Vienna last night follows:
On the front of General Terstyanzsky's army our cavalry, in a bayonet combat, repulsed a Russian attack.

An Austrian flyer Wednesday shot down a Farman plane.
"The situation on the Italian front is unchanged."

Petrograd, Aug. 5.—The Austrians took the offensive both in Galicia and on the Bukovina frontier yesterday, and launched heavy counterattacks against the Russians. It was officially announced today.

In Bukovina, an Austrian force, estimated at nearly a division, attacked small Slav detachments occupying the mountain passes southwest of Kuty, in the region of the river Tcheromoch. The Russians were compelled to withdraw a little to the northeast before superior enemy forces.

South of Brody obstinate fighting has developed along the river Sereth. Austrian forces attacked Russian detachments which had crossed the river in the region of Penlaki and Schistopady, but were halted.

On the Caucasus front Russian detachments advanced several kilometers in the region west of Kialkit. A Turkish attack near Kyalg was repulsed.

FEDERAL OFFICERS TEST OREGON BOYS

Headquarters Oregon National Guard, Calexico, Cal., Aug. 5.—Oregon militiamen today passed under the critical eyes of U. S. army surgeons in the federal physical tests. The indications are that the ratio of those rejected will be much lower than the figures of some eastern militia.

The examinations will continue for several days. The list of "rejects" has not been announced. The examinations are being held one company at a time.

Guardmen who have been worrying lately about getting back to their jobs after their release under the "dependent clause" were relieved today when it was announced that all troops released would receive travel pay to the place of their enlistment.
